## **CGL Acquires Robert Glass & Associates, Gains New Executive Vice President and Senior Director**

---

COLUMBIA, SC – (July 19, 2012) – CGL Management Group, LLC (“CGL”) and Robert Glass & Associates, Inc. (“RGA”) today announced that CGL has acquired RGA. This strategic acquisition includes the addition of W. Robert Glass and David L. Runnels as the new Executive Vice President and Senior Director of CGL’s Western Division, respectively. RGA, which provides consulting services in the areas of criminal justice, building security, and planning, will bolster CGL’s existing expertise in social infrastructure and public facilities development and management. “We are very pleased to announce our merger with Robert Glass & Associates and the establishment of our long awaited California presence. This merger will allow us to better serve our customer base west of the Rockies. It will expand and strengthen our service capabilities and it fulfills our growth strategy objectives moving forward,” said Buddy Johns, President and CEO of CGL. W. Robert Glass, Founder and former President of RGA, will assume the role of Executive Vice President of CGL’s Western Division. Glass has been continuously involved in the planning and design of justice system facilities since 1979. His extensive experience covers work on 400 projects in 29 states; spans city, county, state, federal, and international levels; and includes facilities in all degrees of custody for adult men and women, juveniles, and inmates with special needs. Furthermore, Glass has obtained a national reputation for operational planning, programming, and design management; conceptualization and functional planning; and design, documentation, and application of security systems, materials, and technology used within justice system facilities. His ties to Justice Facilities Planning, Design, and Security Consulting are strengthened by his involvement in professional organizations such as the American Correctional Association, as well as his active participation as a speaker for conferences and organizations related to the justice system. “Robert Glass & Associates is excited about our new affiliation with CGL and the ability to offer expanded services through our joint efforts to our clients. We will be joining an unprecedented group of individuals in the criminal justice consulting community which will enable us to offer unparalleled services to future and existing customers,” said Glass. Joining Glass in CGL’s Western Division will be new Senior Director David L. Runnels. Runnels has over 28 years of experience working in the criminal justice system. Immediately prior to joining CGL, Runnels gained invaluable experience working for the Office of the Federal Receiver as Undersecretary and Chief Deputy Receiver/Chief of Staff. “I look forward to being a part of CGL, a company with the foresight to combine a myriad of highly respected professional experts to assist in changing the correctional industry during this pivotal time in history,” said Runnels. During his career, Runnels has been appointed to four Governor Office positions under the Davis and Schwarzenegger Administrations, and confirmed by the full California State Senate as necessary. He has served as

policy advisor to the Secretary for the State of California Department of Corrections and Rehabilitation, as Undersecretary of Operations, and Warden at High Desert State Prison. ABOUT RGA RGA was founded in 1986 as a consulting firm to the justice system and initially performed professional services in security consulting and planning for criminal justice facilities. In the mid-1990s, RGA expanded the firm's capabilities to support security consulting, operational planning, threat analysis, and vulnerability assessments for all facility types. RGA has completed over 400 projects in 29 states and internationally. Projects completed have exceeded \$7 billion in construction costs. ABOUT CGL CGL was formed in 2002, combining 35 years of experience in planning, design, and management through the merger of Carter Goble Associates, Inc.; CGA Facilities, Inc.; Lee Design and Management Group, Inc.; and Lee Engineering and Management Group, Inc. CGL is focused on providing creative, practical solutions to system and facility development needs. CGL offers the fullest complement of services in the field, including: planning, project management expertise, facility design, facility maintenance, and robust facilities management services for social infrastructure. CGL has provided its broad range of services in 17 countries, 49 states, and more than 500 counties, applying its inclusive process to deliver more than \$7 billion in public facility construction. CGL is a partner of and advocate for its clients, seeking to fulfill every operational and facility need through superior service. CGL's one-on-one connection to its clients ensures true owner's perspective representation for facilities that meet public need. CGL's history spans decades of work with governments, justice facilities, and other public organizations. Its client-focused services carefully guide owners through the process of defining and developing public facilities that are sure to provide users functionality for generations.
